

October 4, 2021

Dear Family Members and Visitors,

For the safety of our residents and staff and in accordance with DPH guidance, we are temporarily closing our Harmony Village memory care unit at our Long Term Care and Rehabilitation Center to visitation due to a resident having a positive COVID-19 test result.

We will resume both outside and inside visitation as soon as we possibly can, and in accordance with CDC and DPH guidance. We are following all mandated, ongoing testing protocols and will continue to provide updates to you via our website as each set of results comes in.

Please check back for an updated posting on our COVID-19 webpage.

In the meantime, we encourage you to stay connected to your loved ones via phone call, "Facetime," or other use of electronic devices and mediums. Please feel free to call 508-852-3011 to speak with a receptionist for assistance.

We know this may be an inconvenience and truly appreciate your continued support and patience as we work to keep our residents and staff as safe as we possibly can. As always, we are grateful for your understanding during these difficult times.

Best Regards,

Kathy Pajor, Interim Administrator
Sharon Blaine, Director of Nursing Services
