

September 18, 2021

Dear Family Members and Visitors,

For the safety of residents and staff, we are temporarily closing our Harmony Village memory care unit at our Long Term Care and Rehabilitation Center to all visitation pending the outcome of COVID-19 test results.

All results in to date have returned as negative. The final testing associated with this event will be on 9/29. We will resume both outside and inside visitation as soon as we possibly can, and in accordance with CDC and DPH guidance, dependent on the results of each testing regime completed. We will continue to provide updates to you as each set of results comes in. We know this may be an inconvenience however we appreciate your continued support and patience as we work to keep our residents and staff as safe as we possibly can.

Please check back for an updated posting on our COVID-19 webpage.

In the meantime, we encourage you to stay connected to your loved ones via phone call, “Facetime,” or other use of electronic devices and mediums.

Please feel free to call us for assistance at 508-852-3011.

As always, thank you for your support and patience during these difficult times.

Best regards,

Kathy Pajor, Interim Administrator
Sharon Blaine, Director of Nursing Services
