Code of Ethics for Volunteers

As a volunteer, I realize that I am subject to a code of ethics similar to that which binds the professional in the field in which I work. I, like them, assume certain responsibilities and expect to account for what I do in terms of what is expected of me.

I understand that any information that is disclosed to me while assisting the hospice is confidential.

I interpret "volunteer" to mean that I have agreed to work without compensation in money but having been accepted as a volunteer worker, I expect to do my work according to standards set forth in the Volunteer Policies and Procedures.

Declaration

I hereby certify that statements made on this application, I authorize inquiries to be made concerning my employment and character for the purpose of determining my suitability as a volunteer. I affirm to have read the Code of Ethics for Volunteer and agree to abide by its regulations. I agree to respect the confidentiality of any client information I may acquire in the course of my volunteer activities
